annex II: template of individual report.

annex III: template of list of findings.

annex IV: template of report on suspected and/or established fraud.

7.2 In case of identification of suspected and/or established fraud, the Auditor shall submit the report in annex IV without delay directly to the Managing Authority indicated in the grant contract. This report shall not be submitted to the Beneficiary.

8. AUDITOR QUALIFICATION

8.1. Auditor Independence

It is required that the auditors fulfil the independence requirements of the IFAC Code of Ethics for Professional Accountants. In addition, the auditor's independence is defined as their organizational independence from the institutional structures and the operations of the beneficiary, including activities carried out as part of the project. The objectivity and independence shall be infringed in case of provision of assurance, advisory or consulting services concerning the activities of the beneficiary within two years preceding the start of providing the project verification service, with the exception of providing services concerning the verification of projects financed from the European Neighborhood and Partnership Instrument and the European Neighborhood Instrument. The independence shall be breached by holding shares or other titles of ownership of the auditee. The objectivity shall be infringed by the occurrence of a conflict of interest, when the impartial and objective fulfilment of the function by the auditor is compromised due to family or emotional reasons, political sympathies or belonging to a state, an economic interest or any other common interest with the beneficiary being audited, providers of services to the verified project or entities involved in implementing the Program. Such situations shall include actions or relationships, which may be contrary to the beneficiary's interest. The auditor's independence and objectivity are seen as the need to avoid any situation that could lead to a conflict of interest, including the avoidance of situations in which even only a theoretical possibility exists that the personal interest may outweigh the result of the verification being conducted.

8.2. Auditors' qualifications

1) The auditor must fulfil at least one of the following requirements:

a) be a member of the national authority or body for accounting and audit, which is the member of the IFAC.

b) be a member of a national accounting or audit authority or entity. If this organisation is not an IFAC member, the auditor must undertake to execute work in accordance with IFAC standards and codes of ethics and must hold at least one of the following certificates: CIA, CGAP, ACCA, CIMA.

c) be registered as an auditor in the register of auditors maintained by the National Council of Statutory Auditors

2) When verifying public procurement, the auditor must, in addition, fulfil at least one of the following requirements:

a) have carried out controls of the correctness of at least 10 public procurement procedures covered by the public procurement law.

b) have provided at least 10 legal advisory services concerning the application of the public procurement law, including, among others, issuing written legal opinions, representing before the National Appeals Chamber.

3) has a knowledge of English at least at the B2 level according to the classification of the Common European Framework of Reference for Languages.

The qualifications listed in points 1 and 2 may be proven by two auditors (e.g., cooperating under the civil law with another auditor, a cooperation agreement, a firm with several auditors etc.), whereas each point must be fulfilled entirely by one auditor (i.e. situations in which e.g. one auditor confirms completing 5 controls and the other also confirms completing 5 controls will not be considered as the fulfilment of the above conditions).
